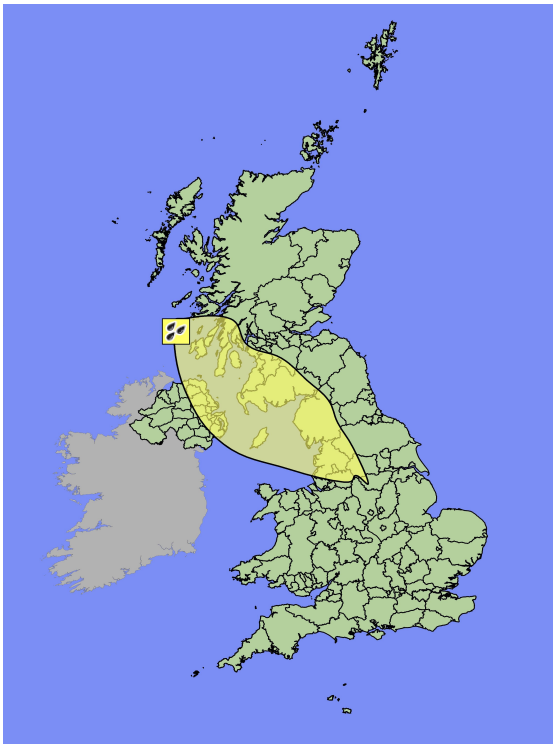
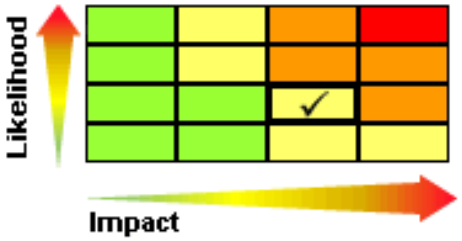
National Severe Weather Warning Service





CANCELLED

Chief Forecasters Assessment
Further rain is expected during Saturday and overnight into Sunday. Although amounts will only be in the range 10-20 mm (locally 30 mm in Cumbria) this could cause further flooding in places after the large rainfall totals of the previous 36 hours.

The Met Office have issued a **Yellow Warning** of **Rain**

Valid from **11:05 on Sat, 23rd Jun 2012** until **09:00 on Sun, 24th Jun 2012**

Further rain or showers will occur during Saturday, becoming more widespread and locally heavy for a time during the evening and overnight into Sunday, before clearing from the west. The public should be aware of the continued risk of localised flooding.
